Supreme Security Services has served as a subcontractor at California State office buildings from July 2016 to date. Our security duties include frontline customer service and guard services for visitors to the Franchise Tax Board and Caltrans office buildings. This contract has consistently generated over \$700,000 annually for the security hours performed.

From August 2023 to present, we have provided security services for the Metro County Transportation System. Responsibilities at these locations include access control and infrastructure protection. We are committed to this contract for a five-year term, with an annual value exceeding \$6 million. Supreme Security operates as a subcontractor under Inter-Con Security for these multiple Metro locations.

For construction projects, we are contracted under Black & Veatch, with an annual value of \$250,000. These assignments are located throughout California. This engagement began in June 2024 and continues to the present.

In our security patrol services, we have partnered with Merchant Property Management and Performa Property Management from 2012 to the present, providing ongoing patrol and protection. This contract has generated over \$1.1 million to date.

We provide security services to these highly important clients. Our scope of work includes installing CCTV and camera systems, where we dispatch an estimator to provide accurate quotes and bids.
